

## **Library Visit Follow-Up**

**1. What was the most useful aspect of the visit to the library and John Christensen's tutorial?**

**2. In what way do you expect that the library visit and tutorial will modify your interaction with the literature (bibliographic searches), if at all?**

- I do not expect any changes
- I will search more frequently
- I will search more efficiently
- I am more likely to do multiple (parallel) searches
- Other (explain)

**3. What is your reaction as to the cost to BYU of maintaining access to the literature through search engines and journal subscription?**

**4. What did you learn from searching for specific references, keywords, and authors or collaborations?**
